Tele-Seminar Schedule

Week One: The Real Truth About Getting Rich	5
Week Two: The 7 Spiritual Laws of Prosperity	7
Week Three: Principles of Wealth Building	10
Week Four: Manifesting Your Prosperity	11

**Week One:
The Real Truth About Getting Rich**

Have you bought into some of the programming that rich people are bad, money is evil, and/or it is somehow spiritual to be poor? What are the symptoms of this?

Do the spiritual beliefs you have held up to now, prevent you or discourage you from seeking more or better situations in your life?

Thoughts . . .

Week Two: The 7 Spiritual Laws of Prosperity

The Vacuum Law of Prosperity:

What are you still holding on to—that you need to release?

What is the reason or lack programming that has caused you to hang on to this?

Clean and/or organize the items on the list below, one a day, and have finished by next week's call:

- Closet
- Junk drawer
- Briefcase
- Desk
- Medicine cabinet

Thoughts . . .

The Law of Giving and Receiving:

Sow a prosperity seed today! Pay the toll for the car behind you, buy a homeless person lunch, or send flowers to someone. Or all of the above. Sow the seed not expecting something in return, but just for the joy it gives you to do so. Repeat the following affirmation as you spread forth your good:

*I send forth this substance knowing that
it will bless the giver and the receiver.*

The Circulation Law of Prosperity:

Go over your financial affairs and create a plan to circulate your good today. Be realistic and make a schedule that you can begin now.

*Be willing to give away something you possess,
to receive something you desire.*

The Tithing Law of Prosperity:

If you have not already, make the commitment to tithe. Do so with joy, love and gratitude for the blessings you have received. Affirm the affirmation below whenever you send or give your tithe.

*I celebrate the source of my abundance and
give thanks for its continued manifestation.*

The Creativity Law of Prosperity:

Write the following affirmation on the envelopes of any unpaid bills you have or receive:

*You are immediately and completely paid through
the rich avenue of Divine substance.*

Thoughts . . .

Practice the actions on the checklist below to develop your creativity. There is no particular order here, but they are great ways to promote whole brain functioning and stimulate your creative powers.

- Wear your watch on the other wrist for the next week.
- Take a different route home every day for a week.
- Count to 100 by 2s and 3s at the same time; 2/3; 4/6; 6/9, etc or up by 2s and 3s and back by 4s and 5s.
- Sit in a new place for meals, meetings, church, or temple.
- Sleep on the other side of the bed. Note what happens upon waking.
- Use your non-dominant hand to eat, brush your teeth, dial the phone, etc.

The Forgiveness Law of Prosperity:

Take these three steps today.

- 1) Mentally forgive everyone you are out of harmony with.
- 2) Mentally ask for forgiveness from the people you have wronged in the past, gossiped about, or are involved in lawsuits or other disharmony with.
- 3) If you have accused yourself of failure or mistakes—forgive yourself

The Imaging Law of Prosperity:

Start your Prosperity Manifestation Map! If you don't have one, go to www.ProspertyUniverse.com and order one.

Thoughts . . .

Week Three: Principles of Wealth Building

Thoughts . . .

In the past, have you thought of money and possessions as finite commodities? Do you recognize now that they can be manifested at will? How will this change your approach to prosperity?

Do you spend most of your thoughts about money worrying about paying bills, where you'll get the money, etc. – or dreaming of ways to preserve and increase your existing wealth?

Can you understand what I mean when I talk about the virtues of selfishness? How will your new understanding of this change the way you live your day-to-day life?

Get a copy of, "The Virtue of Selfishness" by Ayn Rand and read it.

Week Four: Manifesting Your Prosperity

Thoughts . . .

If you are honest with yourself, would you describe what you now have as a “Sacred Circle,” or a “Rancid Ring”? Who are the five people in the group closest to you now?

1. _____
2. _____
3. _____
4. _____
5. _____

Can you think of two or three new people that you currently know, that you can actively work at developing a deeper relationship, and bring into your circle?

1. _____
2. _____
3. _____

Who are five people that you will add to your extended circle, even though they may be deceased, or not in your current social circle?

1. _____
2. _____
3. _____
4. _____
5. _____

Knowing what you know now, how do you think your spiritual beliefs support or deter your desire to be more prosperous? Would you classify these beliefs as fear-based or abundance-based?

Does the way you earn a living now allow you to practice leverage? Do you then leverage the money you earn? What has to change is the way you earn and manage your money?

Thoughts . . .

**“See Your Prosperity in Your Mind First—
Then Manifest it on the Physical Plane!”**

**Randy Gage’s
Prosperity Manifestation Map**

This is the prosperity manifestation map or “dream board” you’ve heard Randy discuss in his prosperity books, and on his “Prosperity” audio album. A prosperity map is a big poster that you fill with images of things you want to do, have and become.

Seeing the images everyday programs them into your subconscious mind. This creates a desire within you to take the daily action steps that bring your dreams closer to reality. You see your prosperity in your mind first, then manifest it on the physical plane.

Order your kit today, and start collecting magazines, brochures and other materials in the hobbies and areas you are interested in. Randy suggests you divide your map into sections, such as work, spiritual, relationships, etc.

There are no rules for how you put things on the prosperity map, except that the image has to mean something to you. It doesn’t matter if anyone else understands it. They don’t need to. As long as you know what it means every time you see it. Get ready to have a lot of fun with this very powerful tool for manifesting your prosperity.

No excuses . . .

This prosperity manifestation map comes with complete instructions from Randy on how to get the best results, scissors, marker and glue stick, so you can start immediately. The whole Kit is only \$20! (*map dimensions are 22"x28"*)

The timeless classic

The Wisdom of James Allen

"All that a man achieves and all that he fails to achieve is the direct result of his own thoughts."

Change Your Thoughts, Change Your Life

As A Man Thinketh is partly responsible for the creation of the entire personal development industry. Most contemporary PD authors and teachers credit this little book for providing foundation to their principles. It is a set of philosophical musings on the power of our thoughts. Earl Nightingale, widely regarded as the father of modern day personal development, in his best-selling recording, called the ideas in this book, "The Strangest Secret". The secret, he said, is "we become what we think about".

AsAManThinketh.net founder, Vic Johnson has created a website filled with tremendous resources for personal development, that will have an impact on your life.
